Lenten Food Drive.....Let us give!

In this season of Lent may our hearts be opened to giving to food pantries in need. Let us give from our bounty and give from our hearts. Starting next Sunday you will see another opportunity to bring in food items for area pantries. Let your gathering of food be one that teaches our children and grand children to think of others as we try to provide one of the most basic human needs....food. Together as a congregation we can make an important impact on our community.

Food items to be collected must be non perishable but delicious....wholesome and nutritious! So bring in cans and boxes and bags of food and we will watch the offering grow.

Thank you Glendale Lutheran Church for continuing to think with your hearts and give with sacrificial service.
